# Hydra Facial

**Hydra Facial** is the latest technology in skin care and revitalization. It is a non-laser treatment that penetrates the inner layers of the skin, purifying pores and removing dead skin that affects the quality, radiance and softness of the skin.

Hydra Facial is ideal for all skin care needs and helps to:

- \* Treat fine lines and wrinkles .
- \* Improve skin texture and elasticity .
- \* Minimize enlarged pores and spots .
- \* Treat acne-prone skin .
